Individuals at our day habilitation centers and staff are participating in Walk Across Texas! this month during National Wellness Month with the Harrison County - AgriLife Extension Service. Walk Across Texas! is an eight-week program designed to help establish the habit of regular physical activity using a fun and motivating team approach. Nine teams were created with 85 participants in total! Each team is working together

towards the goal of 832 miles to make their way across the state of Texas. On September 16, an awards ceremony will take place virtually for all of the participants.
