## May 2022 Newsletter

---

May is Mental Health Awareness Month. It's a time for us to raise awareness of mental health conditions and to help reduce the stigma so many experience.

After the last two years of pandemic living, many people are realizing that stress, isolation, and uncertainty have taken a toll on their health and well-being.

Also, don't forget to take time this month to focus on your health and well-being.

## National Nurses Week!

May 6th -12th is Nurses Week and we want to take this week to say **THANK YOU** to all of the CHC nurses for your passion and dedication to the Center and to the people we serve. Your compassion, selflessness, and kindness do not go unnoticed.

**Thanks for all you do! We appreciate YOU!**

## Celebrating 30 Years with CHC

Congratulations, James!
