## Share your Story

Our goal with all stories is to educate and change the conversation about mental illnesses, substance use disorders and intellectual and developmental disabilities.

#YOURSTORYMATTERS

### New to the CHC website!

Share Your Story. We invite people in our community to share their story of how Community Healthcore has helped them achieve DIGNITY, INDEPENDENCE and their DREAMS. Sharing

your story is not only helpful for someone's journey but it's also a great way to let others know they are not alone. Know someone that would like to share their story? Visit the main page of the CHC website or <https://communityhealthcore.com/share-your-story/>.
