

October is National Disability Employment Awareness Month. National Disability Employment Awareness Month recognizes and celebrates American workers with disabilities. Community Healthcore is proud to have a program called Vocational Apprenticeship Program (VAP) which helps people with intellectual and developmental disabilities learn vocational skills through an apprenticeship with local businesses.

Spotlight

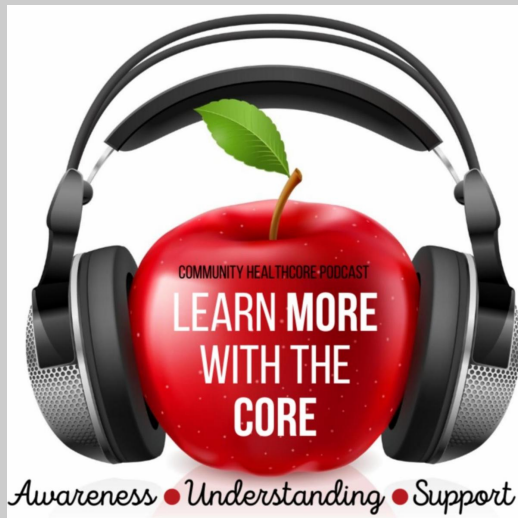

Ken Hanson

Outreach Coordinator - Veteran Services

"I am very thankful and proud to be a part of Community Healthcore and the East Texas Veterans Resource Center. Our team has a passion for Veterans and does a great job in assisting Veterans and their families. I come to work each day knowing I have a purpose to serve. The working environment is very positive. Community Healthcore is making a difference in Veterans' lives."

Children's Mental Health by Learn MORE with the CORE

This week on Learn More with the Core you will hear from CHC's children's mental health program manager Stacey Manning, and how she maintains a level of care for youth in Carthage, Henderson, Marshall, and many more ETX communities. She also discusses how when working with children it is not always only about the child but the family as a whole.
