

Thanksgiving Day Turkey Trot 5K

Tomorrow is our 9th Annual Thanksgiving Day Turkey Trot 5K in Texarkana. This exciting and fun event was started by Jeanell Cannon in 2013 to benefit the Community Healthcore Foundation and to bring awareness of services and support offered by Community Healthcore. We will celebrate the legacy Jeanell left with the largest event to date and honoring Jeanell with the theme of "Jogging for Jeanell".

Michelle Scott

Therapist - Children's Texarkana

I am proud to work at CHC because of the team and support I receive from them. That support helps me connect to children and families and work with them to reach their own goals and independence. I love that I am given the opportunity to positively impact the lives of others here.

Congratulations
