Longview Homeless Resource Day

The City of Longview is hosting the annual Homeless Resource Day on **Thursday, January 26, 2023 from 8:00am-2:00pm** at the City of Longview's Exhibit Building.

Community Healthcare will have multiple programs represented at the event.

The Point in Time (PIT) Count will also happen at this event. The PIT Count is a 24-hr period when communities across the country count the homeless population. There will be an area at the Homeless Resource Day where volunteers will count the participants as they come through. "Counting" actually entails completing a short survey with the participant.

Please contact **Chesley Knowles** for more information about volunteering.
