Important News About Texas Medicaid Coverage

DON'T WAIT — Respond and Update!

Update your information today.

Visit YourTexasBenefits.com or call 2-1-1 and select option 2.

TEXAS Health and Human Services

The automatic renewal of Texas Medicaid coverage (continuous Medicaid) will end on March 31, 2023. Recipients will once again need to renew their benefits to ensure coverage will continue, if eligible.

Please help us spread the word to the people we serve about the **End of Continuous Medicaid Coverage**. Recipients will need to renew/update their information. Renewal information from HHSC will either be mailed in a yellow envelope that says "Action Required" (in red), or sent electronically if they have a Your Texas Benefits account.

Below is a Provider Information Sheet with additional information to help you answer questions.

Provider Information Sheet

Electronic Health Record (EHR)

Learn More with the CORE Podcast

This week's episode on Learn More with the CORE features Rick Roberts who has been the Director of Operations at Community Healthcore for the past 15 years. In this episode, we discuss how Local Mental Health Authorities are formed, how policy and procedures are created, where and how we attain funding, and how close we are as an agency to becoming an Federally Qualified Health Center. If you want to understand how programs are created and maintained, this episode is for you!

[Listen Here!](#)

The East Texas Veterans Resource Center will host a **HYGIENE DRIVE** starting March 20th and will go through April 14th.

Please help us collect items!

With the summer months approaching, Veterans in our community will need these listed items.

For more information about the Hygiene Drive, contact **Kasi Darragh**.

The Community Healthcore Foundation invites you to become a Youth Mental Health First Aider!

Youth Mental Health First Aid is designed to teach parents, family members, caregivers, teachers, school staff, peers, neighbors, health and human services workers, and other caring citizens how to help an adolescent (age 12-18) who is experiencing a mental health or addictions challenge or is in crisis. Youth Mental Health First Aid is primarily designed for adults who regularly interact with

young people. The course introduces common mental health challenges for youth, reviews typical adolescent development, and teaches a 5-step action plan for how to help young people in both crisis and non-crisis situations. Topics covered include anxiety, depression, substance use, disorders in which psychosis may occur, disruptive behavior disorders (including AD/HD), and eating disorders.

Trainings are provided FREE to the community through the Community Healthcore Foundation - Timothy Stewart Memorial for Suicide Prevention and Awareness.

For additional information, contact Katie Roberson at
katie.roberson@communityhealthcore.com.
