Story-Changers in the Community

The Community Health Workers attended the Texas Substance Use Symposium in San Antonio on March 27.

The East Texas Veterans Resource Center attended the National Supportive Services for Veteran Families (SSVF) conference in Denver, Colorado on March 28.

Community Healthcore partnered with Texas A&M AgriLife Extension Services in Harrison County for the Growing and Nourishing Healthy Communities, six weeks gardening series. The series focused on teaching gardening skills and healthy nutrition for people with intellectual and developmental disabilities and their families.

Stacy Tidwell and Brenda Clark attended the Nursing Hiring Fair at Texarkana College on April 6.

Learn More with the CORE Podcast

This week's episode on Learn More with the CORE features Captain Tamara Robb who discusses the resources provided to the unhoused population of Longview and how the Salvation Army partners with other community resources to do the same. Capt. Robb also describes the programs currently ongoing and being created, while addressing the misconception that the Salvation Army does not serve the LGBTQ+ community.

Want to know more about what the Salvation Army does for your community? Listen here and find out!
