Every May, the Administration for Community Living leads the nation's observance of Older Americans Month (OAM). The 2023 theme is *Aging Unbound*, which offers an opportunity to explore diverse aging experiences and discuss how communities can combat stereotypes.

Learn more about OAM at <https://acl.gov/oam/2023/older-americans-month-2023>.

The East Texas Aging and Disability Resource Center (ETxADRC), a program of Community Healthcore helps older Americans stay engaged, independent and included in their community by providing resources and support to those in need.
