Story-Changer Testimonial

“

"The work I do is important because I get the opportunity to touch lives and advance their abilities to reach their goals/dreams. With the healthy and supportive environment at Community Healthcore, it helps not only give an effective structure for the people we serve but also for individuals like myself to grow as a clinician."

Back to School Supply Drive & Resource Fair

Save the Date!

The FAYS and PREV-NET Programs are happy to share with you that our second annual **Back-To-School Supply Drive and Resource Fair** will be on August 12th from 10:00am to 1:00pm at the Longview Mall (3500 McCann Rd)!

We are currently accepting donations!

This month, we are asking for donations of backpacks, notebooks and spirals. If you would like to donate, you can purchase supplies and drop them off at the Woodbine or Med Plaza locations in Longview (or even the Gilmer office). Our goal is to have twice the donations we had last year to better help the youth and families of East Texas.
