YOUTH MENTAL HEALTH FIRST AID

Youth Mental Health First Aid (YMHFA) is designed to teach parents, family members, caregivers, teachers, school staff, peers, neighbors and other caring citizens how to help an adolescent (age 12-18) who is experiencing a mental health or addictions challenge or is in crisis. YMHFA is primarily designed for adults who regularly interact with young people. Topics covered include anxiety, depression, substance use, disorders in which psychosis may occur, disruptive behavior disorders (including AD/HD), and eating disorders.

YOUTH EMPOWERMENT SERVICES (YES)

YES is a program that helps children and youth with serious mental, emotional and behavioral difficulties. YES provides intensive services delivered within a strengths-based team planning process called Wraparound which builds on family, community support and resources to help build your family's natural support network and connection in the community. YES services are family-centered, coordinated and effective at preventing out-of-home placement and promoting lifelong independence and self-defined success.
