Section I. General Information about Community Healthcore

Sabine Valley Regional MHMR Center d/b/a Community Healthcore is a Community Mental Health and Intellectual Disability Center established under Section 534.001 of the Texas Health and Safety Code. By definition in Section 534.001, a community center is (1) an agency of the state, a governmental unit, and a unit of local government, as defined and specified by Chapters 101 and 102, Civil Practice and Remedies Code; and (2) a local government, as defined by Section 791.003, Government Code.

Community Healthcore has been determined to be exempt from federal income tax under Section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3). Furthermore, as a unit of local government, it is not allowed to indemnify other entities.

Community Healthcore's Mission

Helping people achieve dignity, independence, and their dreams.

Authority to Build a Network of Providers

Pursuant to Texas Administrative Code Title 25, Part 1, Chapter 412, Subchapter B, Rule §412.60 and Texas Administrative Code Title 40, Part 1, Chapter 2, Subchapter B, Rule §2.60, the Local Mental Health Authority and Local Intellectual and Developmental Disability Authority have the authority to acquire community services for individuals with behavioral health needs and/or intellectual/developmental disabilities by certain procurement methods. This Request for Applications (RFA) invites and encourages the submission of applications (each, an "Application" and collectively, the "Applications", and any party submitting an Application, an "Applicant") from those interested in entering into one or more contracts (each a "Contract" and collectively the "Contracts") with Community Healthcore. Each qualified Applicant(s) under this RFA (each a "Successful Applicant" and collectively, the "Successful Applicants") will be eligible to enter into a Contract with Community Healthcore to provide one or more of the community-based services more specifically described herein in Section V. Services Currently Posted for Request for Application.

This RFA invites the submission of Applications from those interested in being considered for a Contract with Community Healthcore for the purpose of offering Services (as authorized) to Individuals (persons served) of the Center.

Section II. Service Provider Eligibility Requirements

To be eligible to receive a Contract with the Local Authority, an Applicant must:

- 1) Demonstrate the ability to provide Services in compliance with the Local Authority's Contract requirements; and
- 2) Meet minimum educational, licensing, and credentialing requirements for Services delivered under this RFA, as described in this RFA.
- 3) Provide official documentation indicating Applicant and, as applicable, each employee of Applicant who will provide Services, has undergone screening for tuberculosis within the prior year and thereafter complete such screening on an annual basis. Furthermore, the Applicant shall follow the Local Authority's policies and procedures for further requirements if screening results in a positive reading.
- 4) Notwithstanding the above, Applicants must be eligible or registered to do business in Texas. In any situation where a consortium of providers plans to submit a single Application in response to this RFA, a single entity responsible for Services must be identified to be the party to the Contract, and must demonstrate, to the Local Authority's reasonable satisfaction, the ability to manage funds.

Section III. Responsibilities

Local Authority Responsibilities

Community Healthcore as the Local Authority will ensure the provision of service coordination/case management and facilitate an Individual's selection of Service providers, authorize Services, review claims, and pay for appropriate, authorized Services rendered by the Service providers in its network. The Local Authority is also responsible for utilization management and quality assurance. The Local Authority ensures that contracted Services addressing Individual needs are provided as required by the Texas Health and Human Services Commission (HHSC), and other funders. The Local Authority does not guarantee that any referrals will be made to any service provider within its network of providers.

Service Provider Responsibilities

Each Successful Applicant must submit all original documentation reflecting Service provision and will maintain additional secondary records regarding treatment and/or Services rendered to Individuals, and allow the Local Authority access to such records upon request. Each Successful Applicant is required to comply with all state and federal laws regarding the confidentiality of Individuals' records and non-discrimination. Successful Applicants providing Services will actively assist in the disbursement of Individual and advocate satisfaction surveys and will obtain prior authorization, provide acceptable levels of care, and maintain acceptable levels of liability insurance (see Attachment C), and appropriate licenses and accreditations. Each Successful Applicant also agrees that its name, contact information, and certain other pertinent information may be used, along with a description of its facilities, care, and

services, in any information distributed by the Local Authority listing its Service providers. Successful Applicants must comply with the rules and standards adopted under Section 534 of the Texas Health and Safety Code, applicable local, state, and federal laws, rules and regulations, and the applicable contract between the Local Authority and HHSC and/or any other funding entity, as applicable.

Each Successful Applicant must comply with the Local Authority's Policies and Procedures, and training through Relias Learning.

Community Healthcore will make available Relias, SAMA, and CPR/First Aid at no cost for successful applicants. Training is the responsibility of the applicant and will not be reimbursed for training unless specified in "Rate of Payment" in Section V.

Section IV. Instructions for Submission of Applications

To facilitate and ensure an objective review, Applicants must follow the instructions below for Application submission. Community Healthcore expressly reserves the right not to evaluate any Application that is not submitted according to the instructions below.

The following information is provided at the end of this document to assist in the application process:

(e.g. Application for Individuals or Application for Organizations) with all required attachments to the email address or mailing address below.

RequestRFA@communityhealthcore.com

or

Community Healthcore
ATTN: RequestRFA
PO BOX 6800
Longview, TX 75608

Applications must be submitted on or before the end date as posted in Section V. Services Currently Posted for Request for Application. In the future, other open enrollment periods for various services may be announced to ensure the availability of adequate numbers of Service providers to meet the volume of demand for those services.

False statements or information provided by an Applicant may result in disqualification from or termination of enrollment into the network. The Local Authority reserves the right to reject any and all Applications, to waive technicalities, and to accept any advantages deemed beneficial to the Local Authority and the Individuals.

Each Applicant is responsible for ensuring that documents for potential enrollment are submitted completely and on time. The Local Authority expressly reserves the right not to evaluate any enrollment documents that are incomplete or late. Any attached form(s) must be completed by each Applicant to be considered for possible enrollment in the network.

Each Application shall be subject to disclosure as provided by the Texas Public Information Act, Chapter 552 of the Texas Government Code, and any other applicable laws, rules, and/or regulations. Applicants must identify any claimed trade secrets and confidential information contained in the Application.

Applicant agrees that, if eligible to receive a Contract, will accept Community Healthcore Contract as printed and the fees listed below as payment in full for approved Services contained within the Contract. A sample copy of the Community Healthcore Contract can be obtained by emailing RequestRFA@communityhealthcore.com.

Successful Applicants shall ONLY submit a claim or bill or collect compensation from Local Authority for any Service for which they have submitted an Application, been approved, received a contract, and provided a service to a person served as authorized by the Center. Applicant agrees that compensation for providing services not covered by its approved Application and Contract will be solely between the Person Served and the Applicant. The Person Served must be informed in writing of his/her obligation to pay for services not included in the Applicant's approved Application and Contract before they are provided, and that the Local Authority is not responsible for payment for such services.

Early Childhood Intervention (ECI)

Persons eligible for the ECI program must:

1. Meet demographic criteria – under 36 months of age and meet initial eligibility to receive early childhood intervention services. Initial eligibility is established by:

- (1) documentation of a medically diagnosed condition that has a high probability of resulting in developmental delay;
- (2) an auditory or visual impairment as defined by the Texas Education Agency rules at 19 TAC §89.1040 (relating to Eligibility Criteria); or
- (3) a developmental delay. Each developmental area must be evaluated as defined in 34 CFR §303.321. Developmental delay is determined based on:
 - (A) an evaluation using a standardized tool designated by HHSC that indicates a delay of at least 25 percent in one or more of the following developmental areas: communication; cognitive; gross motor; fine motor; social-emotional; or adaptive; or
 - (B) an evaluation using a standardized tool designated by HHSC that indicates a delay of at least 33 percent if the child's only delay is in expressive language; or
 - (C) a qualitative determination of delay, as indicated by responses or patterns that are disordered or qualitatively different from what is expected for the child's age and significantly interfere with the child's ability to function in the environment.

When the interdisciplinary team determines there is evidence that the results of the standardized tool do not accurately reflect the child's development, eligibility must be established using a supplemental protocol designated by HHSC ECI. A child must meet the same eligibility standards in subparagraph (A) or (B) of this paragraph on the designated tool to qualify for a qualitative determination of delay unless the child has an adjusted age or chronological age of under 3 months.

Work performed under this contract must be performed exclusively within the United States unless prior permission granted by Texas Health and Human Services Commission.
